Solutions for Education Programs

With Doubleknot, you can fully customize online registration for camps, events and programs as well as reservations for field trips, tours and birthday parties. As a result, staff can stop worrying about managing registrations and collecting payments and focus on developing and delivering excellent programs. With Doubleknot, you can:

- **Configure everything from a simple event to a complex program** with different tracks and options.
- **Show visitors real-time availability** for the events, programs and sessions they're interested in and display **always-up-to-date availability calendars** for booking field trips, group visits, tours and birthday parties.
- **Manage capacity and waitlists** including overall capacity, the number of registrants per registration and registrant ratios (for example, to ensure a required adult-to-child ratio).
- **Offer add-on options** like additional sessions, before- and after-care and merchandise during each registration.
- **Collect all the information you need with custom forms**, including emergency contacts, health forms, liability waivers, photo releases and T-shirt sizes.
- Create **custom payment schedules**, **early registration discounts**, **late fees** and **automatic billing reminders**.
- Offer **membership incentives** like **priority registration**, **automatic discounts** and **members-only events.** If a customer purchases a membership, their benefits are automatically be applied to eligible items in the purchase.
- **Stay in touch** with automatic confirmations, receipts, reminders and scheduled emails.
- **View registration and financial data at a glance** with dozens of built-in standard reports and a custom report writer, so you always have a 360-degree view of your constituents and program status.
- **Eliminate long check-in lines** by scanning and validating each participant's or group's QR-coded ticket. With the **Sales Station app for iPads and iPhones**, you can **check in participants**, **make last-minute changes** like additional sessions or merchandise and **collect payment** without program staff handling cash or checks.

Display real-time availability for all of your programs
